

# The Ravenscroft

The Ravenscroft granny annexe is a spacious one-bedroom annexe, designed for those with a larger garden plot. All three footprints utilise a central shower room to separate the bedroom and the open-plan kitchen/living area to maximise living space.

"All of my friends have been coming and looking at it and say they want one. Its better than a flat, its very easy to live in It's very easy to clean. Its lovely having Craig just up the hill if anything goes wrong."
